Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 20 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy evening with some light rain, turning heavy on Saturday.

This Evening and Tonight:
A cloudy evening with the chance of some light rain or drizzle at times. This eases for a time overnight before returning in the early hours. Remaining cloudy throughout with light winds. A mild and rather humid night. Minimum temperature 15 deg C (59 deg F).

Saturday:
A band of rain will move eastwards through the day, bringing heavy and persistent rain. This will ease leaving heavy, possibly thundery showers during the afternoon. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Drier conditions through Sunday, with sunshine and scattered showers. Largely dry with sunny spells and a few light showers on Monday. Fine and dry with sunny spells on Tuesday.
